Re: A letter of reference

We have been cooperating with VICTORIA Language Agency for more than 6 years. When we started our first lessons at our company there were only several employees who were able to speak English.

I can say that now there is a different situation. A lot of employees use the English language in every day work and actually speak with our customers abroad. Of course, it is thanks to their hard work and studying, but I can honestly say that all the time we have had a very good support from VICTORIA. The people from VICTORIA, especially Pavla, are able to prepare their teachers according to the request of our company and they are able to provide native speakers from the whole world. I am convinced that VICTORIA is one of the best language agencies in this area.

Thanks for their good job.

Your sincerely

Petr Vaněk
